Dear Andrew,

I am extremely excited to know that you will visit Taiwan in June. My beautiful hometown, Taiwan, is renowned for astonishing architecture, spectacular scenery and delicious goodies.

Owing to your deeply in love with nature, I would like to show you Ali Mountain located in the middle part of Taiwan. Such a wonderful day will begin with an amazing sunrise which stands for new and fresh. It means a lot for Taiwanese people. Standing in Ali Mountain, we can gaze at the lovely sea of clouds and even make a little wish. In addition, you cannot miss aboriginal culture in Taiwan. By taking part in their unique festivals, you can get more clear details about Taiwan. Then, you can also try notorious stinky tofu in night market. It will surely fill you with awe and surprise!

I guess you will definitely fall in love with Taiwan for its speciality and hospitality. There are still lots of interesting items waiting for you to take a glance. I am also looking forward to seeing you in June!

Sincerely,

Stacy
